Mr. J. Metzger,
FERMINDEX
Dufourstrasse 11,
Basel, Switzerland.

Dear Mr. Metzger:

I have your letter of March 28th and confirm receipt of your cable and subsequent letter.

I have to inform you, Mr. Metzger, that I was quite astonished at the tone of your cable and wish to call your careful notice and attention that I am not the Treasurer of Permindex but am acting solely in the capacity of lawyer for certain shareholders.

I would, therefore, thank you to kindly bear in mind that any requests you have for funds should be made to the Officers of the Company and not to me.

Yours very truly,
